

## Welcome!

Follow these quick and easy steps on how to “Add Funds” using LINQ Connect via the desktop version or on the mobile app.

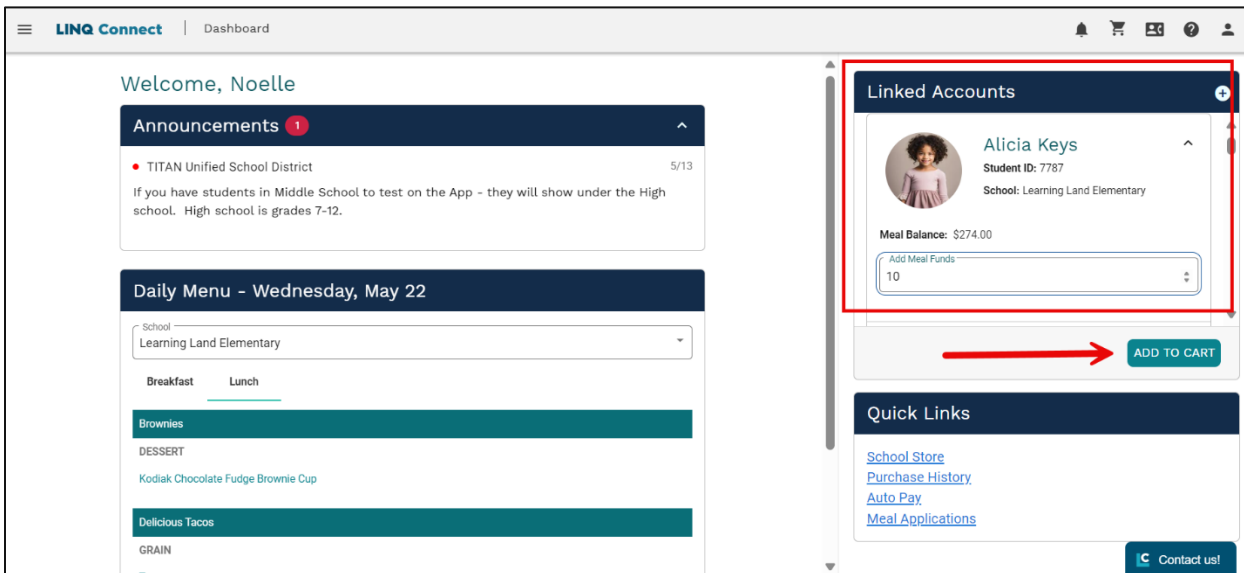

## Desktop Version - Dashboard

www.linqconnect.com

### Step 1

On the main dashboard, navigate to the student account you’d like to add funds to. Below the student’s Meal Balance, you will see a dropdown box of recommended amounts. Enter the amount and click Add to Cart.

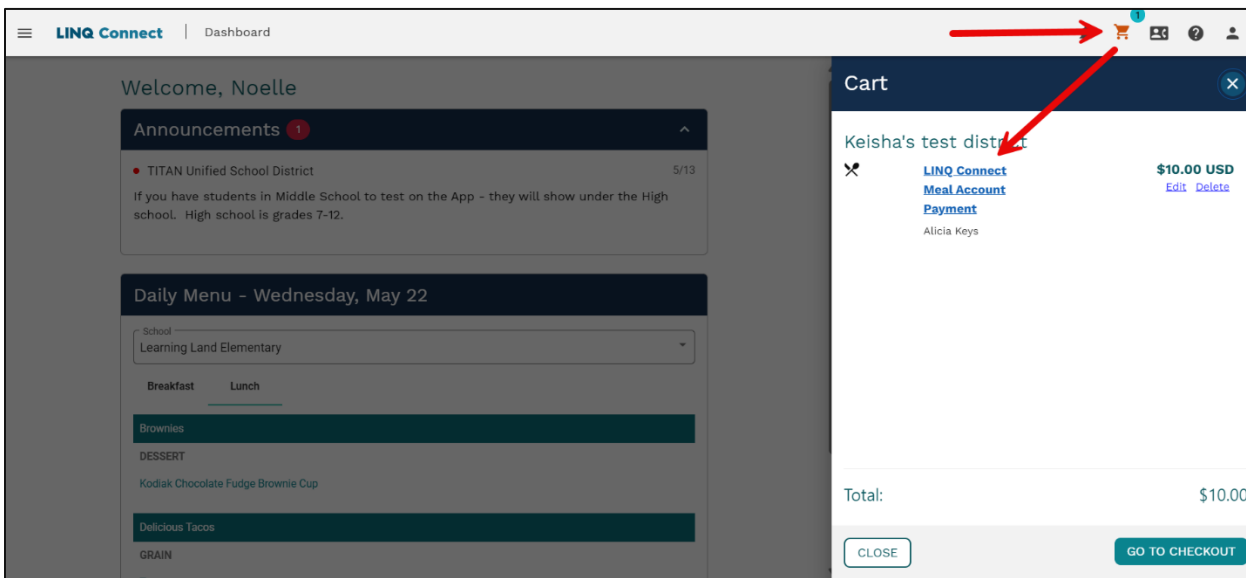

If Add Meal Funds does not appear, the ability to add funds has been disabled by your school district. This typically occurs during summer months and over longer breaks.

The screenshot shows the LINQ Connect dashboard for a user named Noelle. The dashboard includes a welcome message, an announcements section for TITAN Unified School District, and a daily menu for Wednesday, May 22. On the right side, there is a 'Linked Accounts' section for Alicia Keys (Student ID: 7787, School: Learning Land Elementary). Below the student's name, the meal balance is \$274.00. A dropdown menu for 'Add Meal Funds' is open, showing a value of 10. A red arrow points from the dropdown to an 'ADD TO CART' button. Below this, there is a 'Quick Links' section with links for School Store, Purchase History, Auto Pay, and Meal Applications. A 'Contact us!' button is at the bottom right.

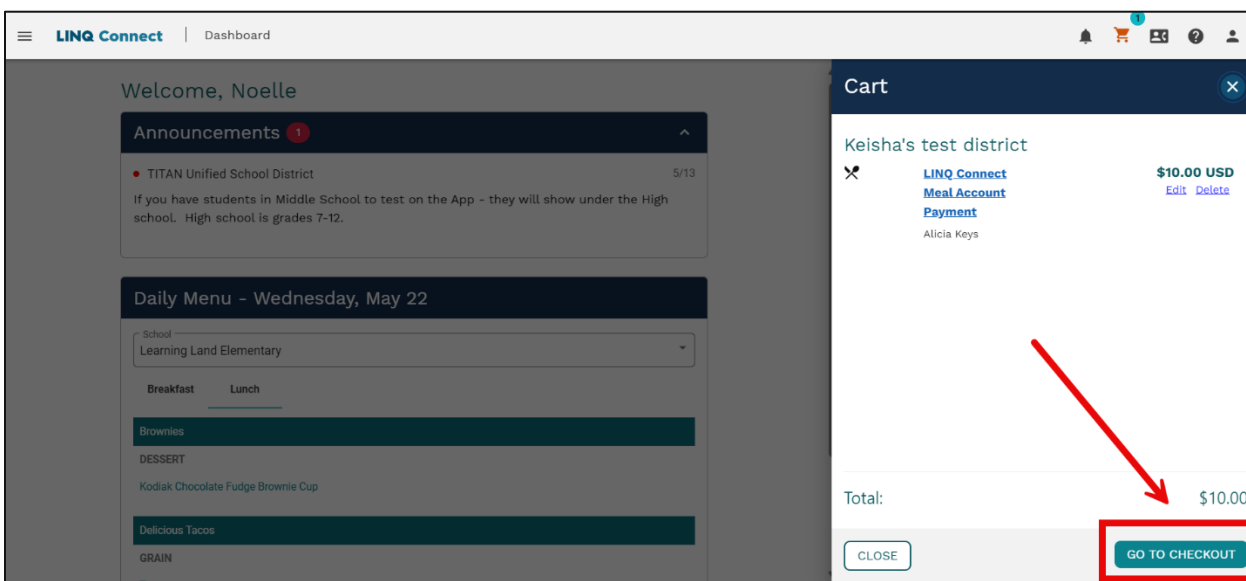

### Step 2

Open your cart and review your items.

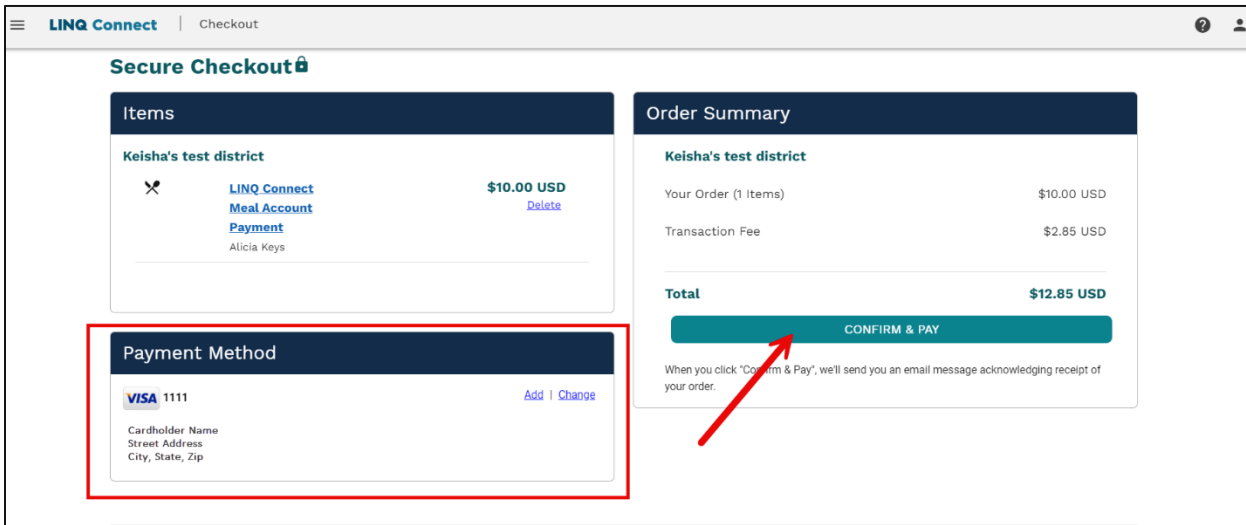

### Step 3

Click Go To Checkout

## Step 4

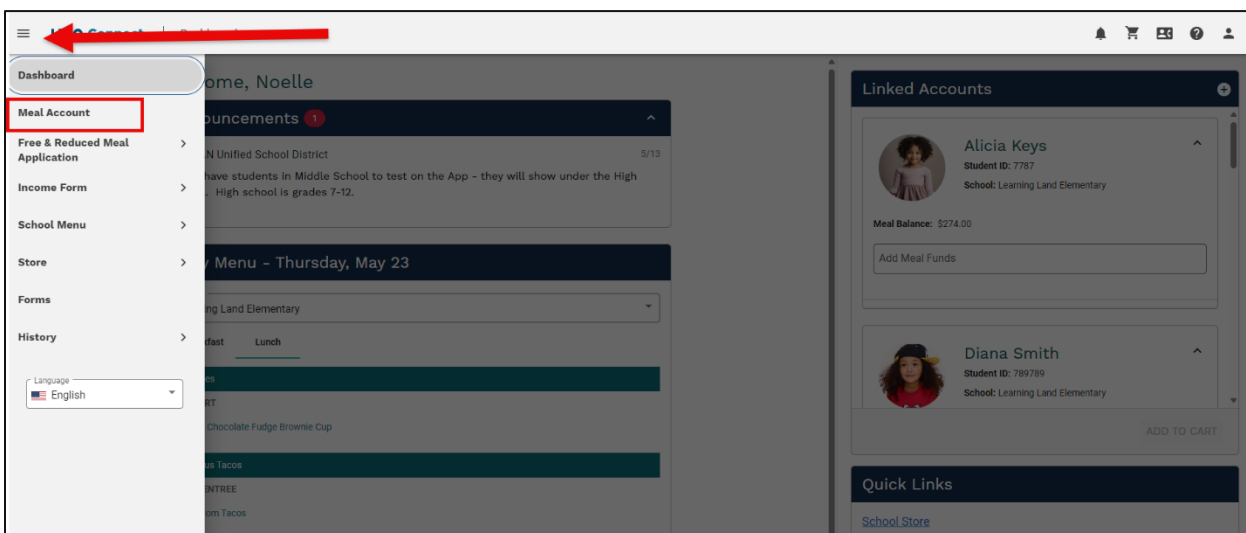

Select a Payment Method from the options you've previously saved. If you don't have a saved payment method, you must add a Payment Method first. Next, click Confirm and Pay

## Desktop Version - Meal Account

### Step 1

Navigate to the Main Menu and select Meal Account

## Step 2

Select the amount you would like to add to the student's account, then click Add to Cart. If you have multiple students, you can add funds to more than one student at a time by selecting an amount for each student before clicking Add to Cart.

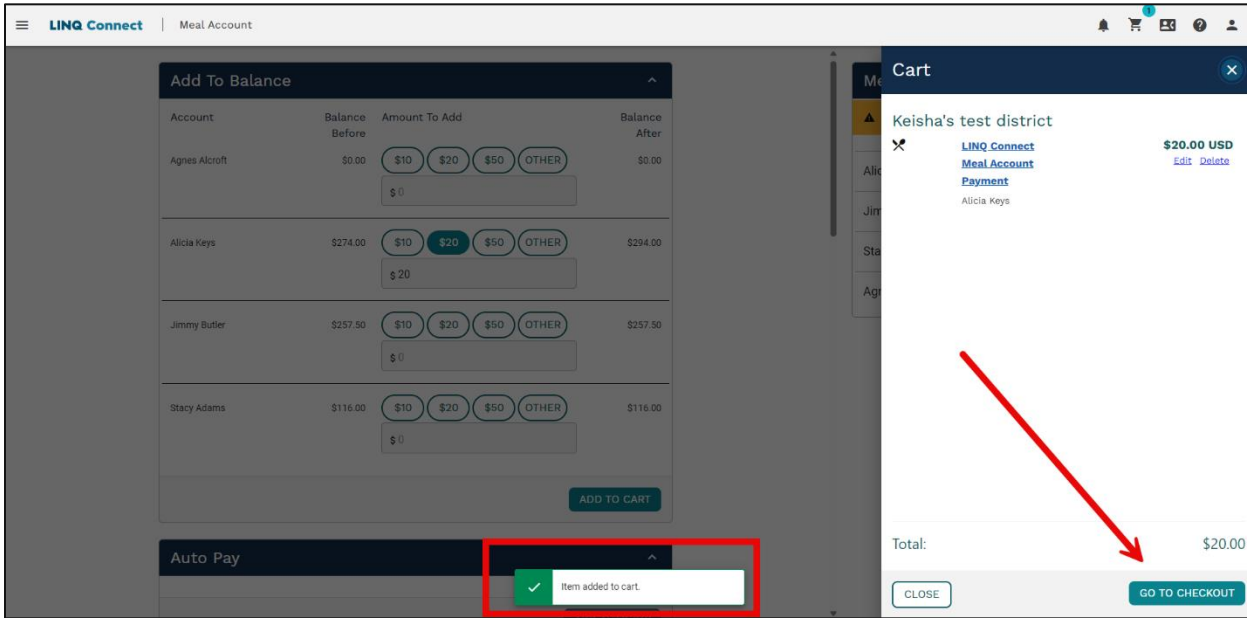

The screenshot displays the 'Add To Balance' interface in the LINQ Connect system. The main content area is a table with the following structure:

Account	Balance Before	Amount To Add	Balance After
Agnes Alcroft	\$0.00	<input type="radio"/> \$10 <input checked="" type="radio"/> \$20 <input type="radio"/> \$50 <input type="radio"/> OTHER	\$0.00
Alicia Keys	\$274.00	<input type="radio"/> \$10 <input checked="" type="radio"/> \$20 <input type="radio"/> \$50 <input type="radio"/> OTHER	\$294.00
Jimmy Butler	\$257.50	<input type="radio"/> \$10 <input type="radio"/> \$20 <input type="radio"/> \$50 <input type="radio"/> OTHER	\$257.50
Stacy Adams	\$116.00	<input type="radio"/> \$10 <input type="radio"/> \$20 <input type="radio"/> \$50 <input type="radio"/> OTHER	\$116.00

The 'Amount To Add' column for each student includes radio buttons for \$10, \$20, \$50, and OTHER. The \$20 option is selected for Alicia Keys. A red box highlights the \$20 radio button and the 'ADD TO CART' button. The 'Meal Balances' sidebar on the right shows a list of students with their current balances: Alicia Keys (\$274.00), Jimmy Butler (\$257.50), Stacy Adams (\$116.00), and Agnes Alcroft (\$0.00). A warning message for Agnes Alcroft is also visible.
