Title: Streamlining School Payments with LINQ Connect

We are excited to announce our partnership with LINQ to bring you **LINQ Connect**, a platform that simplifies meal payments and application processing.

How to Register:

Download the LINQ Connect app from your app store or visit linqconnect.com.

Click "Register" to create your account.

Benefits of LINQ Connect:

Convenience: View your student's account information, make payments anytime, anywhere from your computer, tablet, or smartphone.

Easy Account Management: User-friendly app for tracking history and setting up automatic payments.

Secure Transactions: Advanced security measures protect your information.

Quick Simple Payments: Add funds to your student's account using Auto Pay, when funds run low, or on-demand.

Real-Time Updates: Instant notifications on account balances and upcoming payments.

New for Summer 2024: A newly enhanced app! The new app will greatly simplify your ability to view and manage your student's account anytime, anywhere.

For assistance, contact LINQ Connect support at support@linqconnect.com or 844-467-4700. For faster response, try the new online web chat support feature at linqconnect.com.
