LINQ Connect's fee schedule:

When making a payment, LINQ Connect charges a convenience fee based on the amount of your payment. All fees go toward maintaining secure, reliable payment processing. Your district does not keep any portion of these fees.

- For standard payments up to \$72.15, a fee of \$2.85 will apply
- For large payments, a fee of 3.95% will apply to card payments
- For ACH payments directly from your bank account, a fee of \$0.99 will apply

Smart ways to save on fees:

- You may add multiple students in your household to a single transaction to avoid paying multiple fees.
- Prefer to avoid fees? You can always pay by cash or check in your school office.
