

Phone Script #1

We're excited to announce our partnership with LINQ to bring you LINQ Connect, simplifying payments for school expenses like meals, field trips, activities, class fees, and athletic fees. Easily Register by downloading the LINQ Connect app from your app store or visit linqconnect.com.

Phone Script #2

Parents and Guardians, LINQ Connect has launched a brand-new app for a fresh new look for easier navigation, and enhanced features for managing school payments. You can expect a user-friendly interface, improved functionality, real-time updates, secure transactions and more. For assistance, contact LINQ Connect support at support@linqconnect.com or by visiting linqconnect.com

Phone Script #3

Say goodbye to the hassle of cash and manage payments easily! Make One-time or recurring payments for student meals, view transaction history, set spending limits and low-balance notifications, transfer funds between students and more! Download the LINQ Connect app from the Google Play Store or Apple Store today.
