

How to Add a Student to Your LINQ Connect® Account

Follow these quick and easy steps to add a student to your LINQ Connect account—whether you're using the desktop site or the mobile app.

Get the Mobile App!

It's the fastest and easiest way to manage school fee payments, student meal accounts, and important school notifications. The LINQ Connect Mobile App is free to download and use!

Here's how:

1. DOWNLOAD

Download the LINQ Connect app from the App Store or Google Play.

2. REGISTER

Open the app and tap "Register" to create your account.

3. CONFIRM EMAIL

Check your inbox for a quick verification email and click the link to confirm.

4. LOG IN

Once you're verified, log in using your email and password—and you're in!

APPLE STORE

GOOGLE PLAY STORE

Where can I get the LINQ Connect app?

You can download LINQ Connect from the <u>App Store (for iOS)</u> or <u>Google Play (for Android)</u>. Now, you're ready to pay school fees and add meal account funds on the go, 24/7.

LINQ Connect App Version

Step 1

From the Home dashboard, click Add Account.

If you already have students linked, swipe left until you see the Add New Account option.

Select the account type (*Student* or *Staff*) and search for your school district. Begin typing the district name—after entering 4–5 letters, matching results will start to appear. Continue typing until you see and can select your specific district from the list.
